

E-services

Log in with your own ID !

On-line catalog

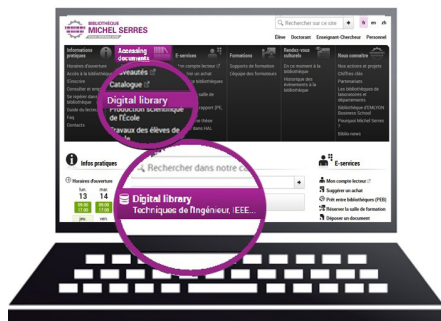

- Look for your bibliographical references
- Acces to engineering students'works and PHD'thesis

Reader account

- Manage your reservations
- Suggest a purchase
- Make an interlibrary loan request : service allows students to obtain documents which are not on site, in other French or foreign libraries.

Digital library

You can also access numerous digital resources from anywhere. You just have to log on to our website with your webmail ID.

Find ebooks, databases, encyclopédias such as **Techniques de l'ingénieur, Scopus, ScholarVox etc.**

Promotion of Works

- **Engineering students:** The library gives added value to engineering students' works (PE, PA, PAi et TFE) by distributing them to the Centrale community via its catalog. To help you write your report, consult the toolbox on our site (document models, advice and tips...)

e-service / déposer un rapport

- **PhD Students and Researchers** : The library is at your disposal for the electronic deposit of your thesis and also for promotion of your papers on open archive sites.
